SOP for Poster Making Competition Grade 3-5 Topic – My Health, My Right Students will create a poster promoting a health-related message Students will bring A3 or A4 size drawing sheet Materials allowed: Crayons, Colored pencils, sketch pens, water colors, etc. and other art supplies. Content: Posters should include creative artwork, slogans or short messages that reflect the theme Originality: Work must be original. No pre-drawn or printed materials allowed.			SOP for – Framing the ‘Tree of Life’ Grade 3 to 5 Teachers will make students understand a background on the meaning of the “Tree of Life” and ask them to draw and paint it. Meaning – The concept of the ‘Tree of Life’ features inn several religious and is symbolic of eternal life and the end of suffering. There are many representations of the Tree. Usually depicting animals, birds and occasionally people, denoting our relationship with nature. The students can frame their artwork in a frame made of four or more twigs. The twigs should extend outward about 2.5 cm from each corner. The twigs should be tied at the corners with twine or string, making an ‘X’ pattern. The painting is glued onto the back of the frame. Tie a string to the two top ends of the frame, so the painting can be hung.				
SOP for Story Writing Challenge Grade 3 -5 Students will get three random words and must write a story using them. Examples: Moon, Secret, Cat / treasure, adventure, map Students will write title, beginning, middle and end. Write Title – Choose a creative title for the story, Beginning – Introduce the characters and setting line of the story Middle – Develop the plot using the three given words End – Conclude the story in an interesting way Students will bring assignment papers to write the story. Neat handwriting and correct spelling will be encouraged. Story must be original and written on the spot.							
			SOP for Children's Parliament Grade 3-5 Students will do research and compile a list of ten common trees, flowers, birds and animals in our area as well as their uses and any other significance they might have. Children will have a parliament session in school where the students will debate and decide on one tree symbol that represents our city.				
							SOP for Health Awareness Campaign Grade – 9 – 10 Date: 12/04/25 Students will work in teams of 3-5 members. Each team will select a topic from the given list. Students will prepare a 5-min awareness campaign, on a chosen health issue. Teams can use posters, role play, PPT slides, short skits or live demonstrations to convey their message effectively. Topics may be as Mental Health Awareness & Stress Management The importance of a Balanced Diet First Aid & Emergency Response Preventing Lifestyle Diseases (Diabetes, Hypertension, Obesity) The impact of sleep on health Personal hygiene and disease prevention The importance of physical fitness Waterborne diseases & their prevention Menstrual health & hygiene
